

Licence Applications

Dadds LLP Licensing Solicitors provides licence application services in respect of personal and premises licence applications under the Licensing Act 2003.

The Licensing Act 2003 ("the Act") amalgamates six licensing regimes covering the sale and supply of alcohol, the provision of regulated entertainment, the provision of late night refreshment. It replaces them with a single system of premises licences, sweeping away much unnecessary red tape.

Businesses now apply for a premises licence to authorise all the licensable activities they wish to carry on.
